

# **Download Business With Soul Creating A Workplace Rich In Faith And Values**

Based on a reading of some 100 articles on leadership and workplace spirituality, the compiled list in Table 1 includes words that occur frequently in discussions and proposed definitions of spirituality. Like Mitroff and Denton, other scholars provide a multifaceted definition of spirituality. Decisions are the heart of success and at times there are critical moments when they can be difficult, perplexing and nerve racking. This side provides useful and practical guidance for making efficient and effective decisions in both public and private life. Soul of a Citizen Classroom Study Questions. These questions have been developed by faculty teaching Soul of a Citizen in various disciplines and at diverse academic levels. They've been used extensively to foster both classroom discussion and individual reflection, offering perspectives for journals, essays, study groups, and discussion of community service experiences. Seven Principles of Spirituality in the Workplace . We define "Spirituality in the Workplace" using Seven Principles: Creativity, Communication, Respect, Vision, Partnership, Energy and Flexibility. All Seven Principles are related; all are important.
