The California Common Core State Standards: Mathematics (CA CCSSM) were modified January 16, 2013, following the recommendation of State Superintendent of Public Instruction (SSPI) Tom Torlakson. SSPI Torlakson consulted these documents provide guidance for implementing GO Math! K-5 in ways that best align to college- and career-ready standards. Each document includes general guidance for teachers to support implementation of the program across all grades along with lightweight grade-level-specific guidance, both across the year and for individual chapters. Mathematics Standards. The Common Core concentrates on a clear set of math skills and concepts. Students will learn concepts in a more organized way both during the school year and across grades. The standards encourage students to solve real-world problems. California GO Math: Middle School ... Florida Go Math! Pre-Algebra California GO Math: Middle School Grade ...
