A lesbian is a homosexual woman. The word lesbian is also used for women in relation to their sexual identity or sexual behavior regardless of sexual orientation, or as an adjective to characterize or associate nouns with female homosexuality or same-sex attraction.. The concept of "lesbian" to differentiate women with a shared sexual orientation evolved in the 20th century. Throughout history ...LGBT, or GLBT, is an initialism that stands for lesbian, gay, bisexual, and transgender. In use since the 1990s, the term is an adaptation of the initialism LGB, which was used to replace the term gay in reference to the LGBT community beginning in the mid-to-late 1980s. Activists believed that the term gay community did not accurately represent all those to whom it referred. The current investigation examined the influence of the media on gay, lesbian, and bisexual (GLB) identity using both survey and in-depth interview approaches. In Study 1, 126 GLB survey respondents (11 unreported) in Texas indicated that the media influenced their self-realization, coming out, and current identities by providing role models and inspiration.
