Daily Meeting Registration \$350. Registration Form.Exam Review Courses 2019. Medical Dosimetry Review Course MD Anderson Medical Dosimetry Review Course January 7 - 9, 2019 ...Medical Dosimetry Education Programs Education is a great way to advance your career, and fortunately there are a number of options out there for medical dosimetry programs. The Joint Review Committee on Education in Radiologic Technology (JRCERT) is the credentialing body for educational programs.About the Course. This course is intended as a review of radiation therapy dosimetry for those individuals preparing for the board exam. It may also serve as a refresher course to practicing dosimetrists and junior physicists. Students should bring a scientific calculator of the type and model approved by the MDCB (not a programmable calculator).
