Louis Jacolliot (31 October 1837 – 30 October 1890) was a French barrister, colonial judge, author and lecturer. Originated by the philosopher Jacques Derrida, deconstruction is an approach to understanding the relationship between text and meaning. Derrida's approach consisted of conducting readings of texts with an ear to what runs counter to the intended meaning or structural unity of a particular text. Who we are and what we're about. Founded in 2008, the Snapdragon Book Foundation was started by a school librarian from Houston, Texas who believes all children deserve access to books.
