For well over 20+ years insurers and military strategists have been assessing the risk factors of climate change and gaming them and putting them into their models and budgeting ... yet some dumbed-down political rhetoric has been enough to keep these facts from coming to light to illuminate the real risk and the immediacy of the risk to the point we now have the Orange Pig-Clown Idiot as ...it continues... then after he kills after drinking and driving while under age he & his mom abscond to Mexico while on probation. Not to out-do themselves in fuck-upery they order a pizza from their cell phone which authorities used to trace and detain him and his mother. The thing is, these kids would probably have been perfectly fine getting into some state school or private no-name liberal arts school, but their entitled parents can't stand that they paid for the best K-12 education money can buy and their mediocre kids couldn't get into the top 5 name brand schools as everyone else. Conservative columnist for the New York Times, David Brooks, recently wed his former researcher assistant, Anne Snyder, who is 23 years younger than he is. Old dude trades in first wife for younger model, not exactly breaking news here. Unless, of course, you've staked your reputation on being a national spokesperson for Character and Virtue.
