Asteroid Coloring Page: View And Print Full Size. Among the many minor objects found orbiting in the Solar System are minor planets known as the asteroids. They have the characteristic volatile surfaces like a comet as you can see in the illustration here. Free Solar System Printable. The very first thing we did with them was create sensory bin that included all the planets (not poor Pluto much to the dismay of my children.) This free solar system printable includes, not only the planets, but astronauts, a rocket ship, and alien in a UFO and shooting stars. Lots of fun!
