

Download Study Guide For Interventional Radiology

JVIR, published continuously since 1990, is an international, monthly peer-reviewed interventional radiology journal. As the official journal of the Society of Interventional Radiology, JVIR is the peer-reviewed journal of choice for interventional radiologists, radiologists, cardiologists, vascular surgeons, neurosurgeons, and other clinicians who seek current and reliable information on every ... This year, Cook Vista® is offering several different courses in which Cook's liver access sets are the focal point. Both the Rösch-Uchida Transjugular Liver Access Set (RUPS) and the Ring Transjugular Intrahepatic Access Set (Ring) are used for transjugular liver access in diagnostic and interventional procedures. The ACR invited the ABR to outline upcoming ABR certification changes for vascular and interventional radiology (VIR) certificate holders. ABR officers provided details about the new certification and took questions from attendees. When you express interest in a specific study, the information from your profile will be sent to the doctor conducting that study. If you're eligible to participate, you may be contacted by a nurse or study coordinator.
